Stephen:

I will be available but I am not going to accept anything less than a full API 653 inspection on all tanks that will be put back in service as oil storage tanks.

Thanks

Gary and Steve,

I will call each of you tomorrow (Wednesday) at 1:30 so we can discuss the Removal Action at the Falcon Refinery. Specifically I'd like Steve to discuss the methods that he's planning on using to evaluate and repair the bottoms of the tanks.
